**REMARKS**

On 02/04/2016 at approximately 1637 hours, I was dispatched to police headquarters to investigate a walk-in domestic violence incident.

When I arrived, I spoke with V1 (Victim 1) who stated that on 2/4/16 at approximately 4:00PM, she was punched two or three times with a closed fist on the right side of her head by her live-in boyfriend of

approximately ten years, who will be referred to as S1 (Suspect 1) throughout this case report. I then observed a visible bruise to her right eye which she stated that she sustained today when S1 punched her on the right side of her head. She then stated that this injury has been hurting her since then. V1 stated that S1 was upset with her because he did not like the ankle socks that their six year old son was wearing because he thought they were too small. V1 then showed me a visible bruise to her left arm in the area of her bicep that she stated that she sustained days ago when S1 became upset with her and forcefully pushed her. V1 stated that S1 has physically abused her throughout their ten year relationship.

When S1 was located he was taken into custody for violation of C.G.S. 53a-61-Assault in the Third Degree, 53a-182-Disorderly Conduct, and 53-21-Risk of Injury to a Minor. While at police headquarters, S1 was booked and processed under UAR 8872620. He was issued a court date of 2/5/16 at 0900 hours at GA 9, Middletown. S1 was held on a \$25,000 Surety bond.

While being interviewed, S1 adamantly denied that he punched V1 in her head causing her right eye to bruise. He stated that he and V1 were involved in a verbal argument on 2/4/16 at approximately 11:00AM, over her cell phone. He stated after their brief argument, he left their apartment and V1 went to drive her kids to daycare. There is no further information.

**REMARKS**

On February 4, 2016 at approximately 2000 hours I (Ofc. Terrible) was traveling in a marked Police Cruiser northbound on Saybrook Road in the area of Frisbie Street.

At this time I noticed a 2003 color gray Acrua 3.2 TL 4 Door Sedan, bearing Connecticut Registration Plate #AB69768 parked on the wrong side of Frisbie Street with two individuals standing outside of it and the trunk open. It appeared that they were rummaging through the trunk of the vehicle and were looking around suspiciously. I also noticed an individual walking off a non lit front porch of a residence (later determined to be #78 Saybrook Road) with a cell phone light activated. I immediately recognized the suspicious activity and notified Dispatch that I would be checking on a possible disabled motor vehicle in the above stated location.

As I stepped out my Police Cruiser and approached the vehicle, I could smell a very strong odor of marijuana emanating from the vicinity in which the three individuals and the motor vehicle were located. It shall be noted that the driver door and the vehicles trunk were wide open. I know the smell and appearance of marijuana through my training and experience as a Police Officer.

The individual I noticed walking off of the front porch of residence #78 Saybrook Road identified himself as \_\_\_\_\_ did not have any identification but provided his name and date of birth. \_\_\_\_\_ became irrational and two (2) other individuals on scene. \_\_\_\_\_ who was identified by his Connecticut Operators License #047860057 and James Brown, who was identified by his Connecticut Identification Card #049821160 told \_\_\_\_\_ to "just calm down he's just doing his job."

I then requested Ofc. Del'Mauro and Narcotic K-9 Killian for assistance.

In the meantime I confronted the individuals again with my suspicion of marijuana being present. Brown then raised his hand and stated he had marijuana. Brown then provided two (2) separately packaged clear plastic bags containing marijuana from his pants pocket.

Brown's person was then patted down and I located seven (7) unopened cigars, two (2) more clear plastic bags containing marijuana, and packaging materials from his person. Brown was placed into handcuffs, checked for tightness, and double locked.

I know through my training and experience as a Police Officer that the above stated items are commonly used for packaging, distribution, and sales of contraband.

Upon Ofc. Del'Mauro / K-9 Killan's search of the interior of the vehicle it yielded a large quantity of marijuana not just from underneath the driver seat, but throughout the entire vehicle. Underneath the driver seat was a "Subway" bag containing marijuana that was divided up into several clear plastic bags ready for distribution. Also located from the center console was a Large Clear Glass Mason Jar containing clear plastic bags separately packaged with marijuana and two (2) clear plastic bags containing marijuana beneath it. On the passenger seat was a Large Shopping Bag with two (2) Large Clear Vacuumed Sealed Bags containing large quantity of marijuana inside. One of the vacuumed sealed bags was opened and inside were numerous clear plastic bags separately packaged with marijuana. Ofc. Del'Mauro also located a box of clear plastic unused bags, which resembled the same packaging materials used on several of the stated items above.

Brown took responsibility for the large quantity of marijuana removed from the interior of the vehicle.

Ofc. Del'Mauro then performed body searches with K-9 Killian of each individual. While performing such searches Brown admitted prior to his search that he currently had a bag of marijuana placed in his "butt crack." He proceeded to pull it out, but was asked to stop. K-9 Killian upon searching Brown located several more clear plastic bags of marijuana hidden inside his garments. Brown stated he did not realize they were still in there. Brown then removed the item from his buttocks and was seized.

Once at Police Headquarters I utilized the Middletown Police Departments AWW HX-502 Digital Scale to weigh the individual weights for \_\_\_\_\_ and Brown. Brown's seized marijuana provided an aggregate weight of 889.13 grams (In other measurements it would be equivalent to 31.36 ounces or 1.96 lbs of marijuana).

Ofc. Wasilewski and Ofc. Magnano assisted in the booking process. Brown was then read his Notice of Rights, which they acknowledged by signing at approximately 2110 hours. He was then photographed and fingerprinted, which provided Uniform Arrest #8872624 and charged with C.G.S 21a-277(a); Possession with Intent to Sell Marijuana, C.G.S 21a-279(b); Possession of Marijuana more than 4 ounces of Marijuana, and C.G.S 21a-267(d)(1); Possession of Drug Paraphernalia. Brown was unable to post his \$25,000.00 Surety Bond and was placed into Male Cell #5 pending his arraignment at G.A #9 on February 5, 2016 at 0900 hours.

The items seized were tested using a NARK Test Kit #10008, which test for Marijuana/Hashish/THC by providing the colors light blue to purple to indicate the positive presence. Upon testing said items I was provided positive results on all test samples as indicated above. The items were then photographed, placed into clear plastic evidence bags, heat sealed, labeled, and put into Middletown Evidence Locker #12. Nothing further at this time.

## REMARKS

On February 4, 2016 at approximately 2000 hours I (Ofc. Terribile) was traveling in a marked Police Cruiser northbound on Saybrook Road in the area of Frisbie Street.

At this time I noticed a 2003 color gray Acrua 3.2 TL 4 Door Sedan, bearing Connecticut Registration Plate #AB69768 parked on the wrong side of Frisbie Street with two individuals standing outside of it and the trunk open. It appeared that they were rummaging through the trunk of the vehicle and were looking around suspiciously. I also noticed an individual walking off a non lit front porch of a residence (later determined to

be #78 Saybrook Road) with a cell phone light activated. I immediately recognized the suspicious activity and notified Dispatch that I would be checking on a possible disabled motor vehicle in the above stated location.

As I stepped out my Police Cruiser and approached the vehicle, I could smell a very strong odor of marijuana emanating from the vicinity in which the three individuals and the motor vehicle were located. It shall be noted that the driver door and the vehicles trunk were wide open. I know the smell and appearance of marijuana through my training and experience as a Police Officer.

The individual I noticed walking off of the front porch of residence #78 Saybrook Road identified himself as [redacted]. I then confronted [redacted] about my suspicion of marijuana being present he stated, "Not that I think so." [redacted] became irrational and two (2) other individuals on scene Jamere Jackson, who was identified by his Connecticut Operators License #047860057 and [redacted] who was identified by his Connecticut Identification Card #049821160 told [redacted] "just calm down he's just doing his job."

I then requested Ofc. Del'Mauro and Narcotic K-9 Killian for assistance.

Upon search of the vehicle by Ofc. Del'Mauro / K-9 Killian large quantities were seized from the interior of the vehicle belonging to Jackson and also [redacted]. Jackson took ownership for the items directly located underneath the driver seat. [redacted] took responsibility to the remainder.

As the items were removed from the vehicle I addressed the individuals and asked for ownership of the items. Jackson took ownership of the "four (4) ounces" of marijuana underneath the driver seat ("Subway" bag).

Jackson's person was patted down at which time I located two (2) clear plastic bags containing marijuana; One hundred ninety one dollars; color black Samsung Galaxy Cell Phone; two (2) unopened Garcia Vega's cigars; and miscellaneous personal items. All items were seized from his person and he was placed into handcuffs, checked for tightness, and double locked.

Based on the large quantity of marijuana removed from Jackson's vehicle it suggests that the vehicle was being used in the transportation and distribution of contraband within the City of Middletown. Therefore I seized the vehicle and requested the vehicle be held as evidence under Asset Forfeiture along with the Currency (\$191.00) removed from Jackson's person. Mid-Town Towing arrived on scene moments later and transported the seized vehicle to Middletown Police Departments rear lot for evidence.

Once at Police Headquarters I utilized the Middletown Police Departments AWX HX-502 Digital Scale to weigh the individual weights for Jackson and [redacted]. Jackson's seized marijuana provided an aggregate weight of 131.05 grams (In other measurements it would be equivalent to 4.62 ounces or .289 lbs of marijuana).

Ofc. Wasilewski and Ofc. Magnano assisted in the booking process. Jackson was read his Notice of Rights, which they acknowledged by signing at 2108 hours. He was then photographed and fingerprinted, which provided Uniform Arrest #8872625 and charged with C.G.S 21a-277(a); Possession with Intent to Sell Marijuana, C.G.S 21a-279(b); Possession of Marijuana more than 4 ounces of Marijuana, and C.G.S 21a-267(d)(1); Possession of Drug Paraphernalia. Jackson posted his bail of \$15,000.00 Surety Bond and was given a G.A #9 Court Appearance Date of February 18, 2016 at 0900 hours.

The items seized were tested using a NARK Test Kit #10008, which test for Marijuana/Hashish/THC by providing the colors light blue to purple to indicate the positive presence. Upon testing said items I was provided positive results on all test samples as indicated above. The items were then photographed,
